

ROBBINS®

PHOTO: Eleven Point, White Oak, NWEK899W

This room scene is for illustrative purposes only. No two floors are ever the same. These natural wood planks have a high level of variation which can include knots, mineral streaks, color, and grain variations. Nature individualizes each plank to show its unique beauty.

NOBLE'S WAY® HERRINGBONE | ENGINEERED HARDWOOD

A Classic Pattern Reimagined for Modern Living

The same engineered hardwood wire-brushed flooring collection you already love, is now available in a timeless, design-forward pattern. From grand foyers to cozy dens, Noble's Way® Herringbone transforms any space into a designer showcase. Inspired by the rugged beauty of America's rivers and valleys, every plank tells a story of heritage, resilience, and natural elegance.

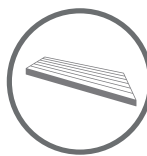

- Herringbone adds depth, movement, and luxury to floors of any size. Pair it with straight-lay borders for a framed look, or mix with other patterns for a curated aesthetic
- Features sliced-face European White Oak, rich in grain and natural variation, with a wire-brushed texture for authentic character
- Engineered for stability at 3/8" thick, along with micro-beveled ends and edges that offer versatile installation options for any grade level of the home
- Topped with a low-gloss urethane with aluminum oxide finish, for enhanced scratch and dent resistance
